

WHAT CAN VENTURE CUP OFFER YOU?

We would like to offer you the possibility of having your students engage with entrepreneurship and innovation on practical level. We work to inspire university students and researchers to develop their ideas into successful companies.

Your university is a member of Venture Cup, which mean that all of our work is free for you to use and can be tailor made to your needs!

.....

PRESENTATIONS

- Short presentation about entrepreneurial opportunities at the university and in the local ecosystems.

WORKSHOPS

- Presentation about entrepreneurial opportunities
- 45 min workshop on either pitching technique, ideation or business plan development.

COURSE INTEGRATION

- Presentation about entrepreneurial opportunities
